BIBLIOGRAPHY OF AGRICULTURE

U.S. DEPARTMENT
OF AGRICULTURE
LIBRARY

The subject index for volume 14 of the Bibliography of Agriculture will appear as number 12 of volume 14, the issue of December 1950.

United States Department of Agriculture Miscellaneous Publication 337, Abbreviations Used in the Department of Agriculture for Titles of Publications, is followed in this publication with the exception of the following: B.—Bulletin; C.—Circular; J.—Journal; P.—Publication; Q.—Quarterly; U.—University; U. S. D. A.—United States Department of Agriculture; Ybk.—Year-book; Z.—Zeitschrift.

Call numbers following the citations are those of the United States Department of Agriculture Library. Please use them when requesting publications on loan from the Library.

Except for printed publications of the Department of Agriculture which are usually available in limited supply for free distribution, the publications listed herein are not available for free distribution from the Department. However, photoprint or microfilm copies of any publication listed may be obtained from the Library at the following prices:

MICROFILMS:

Periodical Articles.—A flat charge of 50 cents for any single article, from any single volume of a periodical.

Books and Serial Publications.—50 cents for each 50 pages or fraction thereof.

PHOTOPRINTS:

50 cents for each 5 pages or fraction thereof from any single volume.

ALL CHARGES ARE CASH WITH ORDER. (Only Federal agencies are exempt.)

Enclose payment in cash, library coupon or check or money order drawn to the Treasurer of the United States.

LIBRARY COUPONS—United States Department of Agriculture Library coupons valued at 50 cents each may be ordered in any quantity.

The printing of this publication has been approved by the Director of the Bureau of the Budget. (Jan. 11, 1950).

Corrections

Item 58984 in Sept. 1948 issue should read J. Biol. Chem.
174: 611-619.

The call number to items 17773, 17776, 17788, 17794,
18891, 18896, 18920, 18927, 18930, 18970, 18980, 19028,
22826, 22836, 22855, 22865, 22881, 22916, 22917, 22921,
appearing in the March 1950 issue should be 68.39 In82

The printing of this publication has been approved by the Director of the Bureau
of the Budget. (Jan. 11, 1950).

U. S. D. A. PUBLICATIONS

Includes publications of the United States Department of Agriculture received in the Library during the preceding month, except restricted publications and materials issued for internal administrative use rather than for public distribution.

Periodicals issued by the Department are listed in the November issue only; articles in them are indexed currently.

Domestic requests for publications in the various Department series will be filled free upon application to the Office of Information, United States Department of Agriculture, Washington 25, D. C., as long as the supply lasts. They may also be purchased from the Superintendent of Documents, Washington 25, D. C.

Bureau publications may ordinarily be obtained free of charge from the issuing bureau as long as the supply lasts.

Foreign institutions, organizations and agencies which issue publications may obtain United States Department of Agriculture publications in exchange by writing to the United States Department of Agriculture Library, Washington 25, D. C.

Agricultural Handbook

JEMISON, G. M., LINDENMUTH, A. W., and KEETCH, J. J. Forest fire-danger measurement in the eastern United States. U. S. D. A. Agr. Handbook 1,68 p. Ref. 1950. 1 Ag84Ah

STATE AGRICULTURAL EXPERIMENT STATIONPUBLICATIONS

April 1950

Includes State Agricultural Experiment Station publications received in the library during the preceding month.

Publications issued by the State Agricultural Experiment Stations are not available from the U. S. Department of Agriculture but are often available from the publishing experiment station.

Material not available from the various State institutions may be obtained in microfilm or photoprint form from the U. S. Department of Agriculture Library for the cost of reproduction.

Alabama Agricultural Experiment Station, Auburn

ALABAMA. AGRICULTURAL EXPERIMENT STATION. 58th and 59th annual reports of the Agricultural Experiment Station of the Alabama Polytechnic Institute, January 1, 1947 - December 31, 1948. Auburn, 1950. 59 p. 100 ALIS

Arizona Agricultural Experiment Station, Tucson

BIBLIOGRAPHY OF AGRICULTURE

RECEIVED
★ JUN-1 1950 ★

U.S. DEPARTMENT
OF AGRICULTURE
LIBRARY

The subject index for volume 14 of the Bibliography of Agriculture will appear as number 12 of volume 14, the issue of December 1950.

United States Department of Agriculture Miscellaneous Publication 337, Abbreviations Used in the Department of Agriculture for Titles of Publications, is followed in this publication with the exception of the following: B.—Bulletin; C.—Circular; J.—Journal; P.—Publication; Q.—Quarterly; U.—University; U. S. D. A.—United States Department of Agriculture; Ybk.—Yearbook; Z.—Zeitschrift.

Call numbers following the citations are those of the United States Department of Agriculture Library. Please use them when requesting publications on loan from the Library.

Except for printed publications of the Department of Agriculture which are usually available in limited supply for free distribution, the publications listed herein are not available for free distribution from the Department. However, photoprint or microfilm copies of any publication listed may be obtained from the Library at the following prices:

MICROFILMS:

Periodical Articles.—A flat charge of 50 cents for any single article, from any single volume of a periodical.

Books and Serial Publications.—50 cents for each 50 pages or fraction thereof.

PHOTOPRINTS:

50 cents for each 5 pages or fraction thereof from any single volume.

ALL CHARGES ARE CASH WITH ORDER. (Only Federal agencies are exempt.)

Enclose payment in cash, library coupon or check or money order drawn to the Treasurer of the United States.

LIBRARY COUPONS—United States Department of Agriculture Library coupons valued at 50 cents each may be ordered in any quantity.

The printing of this publication has been approved by the Director of the Bureau of the Budget. (Jan. 11, 1950).

Corrections

Item 5197 in the Jan. 1950 issue was incorrectly classified under Diptera. It should be classified under Hymenoptera.

The call number for item 25400 in the March 1950 issue should be 389.9 F735Dg

In the author index for 1949 the item number for International Dairy Congress should be 47182.

The printing of this publication has been approved by the Director of the Bureau of the Budget. (Jan. 11, 1950).
